Sunday, Monday nights, 8/26,27, tuned in WWL, N.O., hoping for local news at 10 EDT. Nothing but rt-wing religion. Billy Graham concluded, "God bless y'awl", with afterthought pretended following pause, "real good!" Not even sponsored net news interferes with paid religion to the Jesuits. 5 a.m. EST 8/28, net news only, sandwiched by banjo music. For this, naturally, 50kw clear channel license. HW 8/28/73
